

## **Arizona FCCLA Membership Pricing Guide**

Once an Arizona FCCLA chapter has been established and has completed the necessary steps to be in good standing, chapter advisers must send payment for the number of students they have registered. Membership pricing is as follows:

### **Individual Membership**

A minimum of 12 students plus one adviser must be registered in the national affiliation system, unless the program enrollment is less than 12 in which the chapter will be charged for only the number of students in the program. Students must be currently or previously enrolled in a Family and Consumer Sciences program. Memberships are valid from the date of the national office receives and processes payment to the conclusion of the National Leadership Conference of that school year.

### **Pricing**

The cost to join Arizona FCCLA is \$20 per student. The nationally required minimum is: one (1) chapter adviser and twelve (12) student members. Chapters may add additional advisers or students to their original roster at any time after the initial registration at the rate of \$20 per adviser / student.

#### ***Example:***

Chapter Adviser is automatically registered - \$20  
12 members on roster - \$20 each
